My Breast Cancer Story on the Brain Cancer Diaries [VIDEO]

November 15, 2019 By Megan-Claire Chase

This is just a quick post for those who may not have social media accounts. I was honored to be interviewed on my friend's vlog called the Brain Cancer Diaries on YouTube a few weeks ago for breast cancer awareness. If you've ever wondered what I sound like and wanted to hear more of my story firsthand, then click on the link above and check it out!

Until next time,

Warrior Megsie
