Join MRA for Exciting Two-Day Virtual Event - April 15 and May 6!

The Melanoma Research Alliance announces a virtual event featuring leading experts in the melanoma field.

March 5, 2021 By Melanoma Research Alliance

Throughout the event, you'll hear from leading experts in the melanoma field and have the opportunity to ask questions, discuss, and network with other people who are going through their own melanoma journey. Each session will provide information, insight, and strategies to help navigate melanoma diagnosis, treatment, or beyond.

You'll walk away with practical tips and approaches to get the most out of your care, while also learning about emerging research in areas such as biomarker testing, artificial intelligence, and the importance of clinical trials.

April 15 & May 6; 3 - 6:30 PM ET; Join one or both events!

Register now!
