Olivia Newton-John Opens Up About Her Breast Cancer Recurrence

September 22, 2017 By NBC News

Natalie Morales visited Olivia Newton-John in her hometown of Melbourne, Australia, where she spoke out about fighting breast cancer for the second time. “I’m doing well,” says the singer and actress, who’s back on tour and back in the recording studio on the verge of turning 69. “I’m stronger than I thought I was.”
