It's that time of year!! The Third Annual #TumorTakedownTailgate to benefit National Brain Tumor Society!

Join us Sunday, April 19, 2020, 3pm-6pm at restaurant Revery in Historic Old Town Greenwood, Indiana, to tailgate to benefit brain tumor research!

Get your "early brain" tickets for only $40! This general admission ticket gets you into the event with emcee Lauren Casey from RTV6, plenty of local beer including our premier vendor Mashcraft, food provided by Chef Mark Henrichs and the Revery team, participation in our silent auction with packages from Hope Plumbing, Indy CD & Vinyl, and more, and local music.

Tickets increase to $45 beginning April 1st, so get on board early!

Early brain tickets are available here.

We also have a new way to give this year! Starting today we've launched a two-week, limited run fundraiser with Custom Ink for #TumorTakedownTailgate trucker hats. These trucker hats from recognized classics brand Yupoong are only $25 with proceeds benefiting National Brain Tumor Society. Act quickly because the fundraiser closes on March 14!! Buy before it closes, and you can rock the TTT trucker at this year's event or wherever you go to let people know you are raising money to cure one of the most deadly cancers.

By the hats here before March 14!

In our first two years we've raised nearly $40,000 for National Brain Tumor Society's Defeat GBM initiative, now in its third year of a five-year commitment to put $10M toward research for glioblastoma. This research extends and enhances the lives or GBM patients like Adam, our tailgate event co-founder.

Thank you to our generous gold and silver sponsors!! The BlakeStrong Bowell Fund, the Luminous Fund, Bookends Financial Planning, Hope Plumbing, and Stadium Goods.

See you at the Tailgate!
