

Amid the Stress of Prostate Cancer, Do You Need a Laugh?

Prostate cancer blogger Dan Zeller shares an item that had him LOLing.

This ad for prostate stress balls popped up on one of my social media feeds, and I laughed out loud in disbelief that someone would come up with this idea.

Then I thought that maybe this isn't such a bad idea after all. We can squeeze the crap outta the thing that's caused us so much difficulty.

Perhaps I should come up with a logo to put on them and sell them here. Haha. Or not.
