

Balance After Cancer — The Basics Course [VIDEO]

After treatment, I had no concept of what to put on my résumé or say in an interview — I was not ready to get back to “normal.”

We are so proud to announce our first online course available for anyone who has experienced a life-changing diagnosis or been told they have a predisposition to a disease.

This course is thorough and walks through the 3 top topics with getting back to “normal” after illness. We cover confidence, preparedness and plan.

Please check out the introductory video above, and [register for the free course here](#).
