Day 2,821 — PSA Test Time

I should have the results online late Friday night. We'll see…

July 30, 2018 By Dan Zeller

It's that time again. I had my blood drawn this morning and I suspect I'll have the results online late Friday night.

My last PSA in April was 0.11 ng/ml and my handy-dandy spreadsheet predicts that this PSA will come in around 0.124 ng/ml. We'll see…

If it does, that will add a little more pressure to make the "zap or not to zap" decision.

Stay tuned…
