Damon Runyon Broadway Tickets offers Broadway's best seats and the opportunity to support cutting-edge cancer research at the same time. Nobel Laureate and Damon Runyon Board Member William G. Kaelin, Jr., MD, has been using the Damon Runyon Broadway Ticket Service to watch the hottest shows since 2008. We interviewed him about his dedicated support of this program.

Damon Runyon: What is the advantage of using Damon Runyon Broadway Ticket Service?

Dr. Kaelin: The seats are always amazing, and I know I am supporting a good cause. You can sometimes get seats through Damon Runyon even when the show is sold out at the box office.

DR: What has been your experience buying and receiving tickets?

WK: Getting tickets is easy. You can either purchase online or call the office directly. The price of each ticket includes a voluntary, tax-deductible donation to Damon Runyon. You receive a confirmation email which is used to pick up tickets at the will-call window. I don't know why anyone would go through an agent and get gouged to sit in marginal seats.

DR: What was the last show you watched through Damon Runyon Tickets, and how did you like it?

WK: To Kill a Mockingbird and Network. Both were wonderful, and seats could not have been better!
