ONS Podcast

We dive into my cancer diagnosis, my new perspective on the best job ever, what I wish all oncology nurses knew about the patient experience, and much more!

October 25, 2019 By Lindsay Norris

Please enjoy the PODCAST I recorded with the Oncology Nursing Society. We dive into my cancer diagnosis, my new perspective on the best job ever, what I wish all oncology nurses knew about the patient experience, and much more!

Nurses – don't forget to do the evaluation on the episode notes for FREE CNE contact hours!

Listen today wherever you get your pods, and tell me what you think!
