

What Does a Rising PSA after Prostate Cancer Surgery Mean?

Watch this video by Mark Scholz, MD, of the Prostate Cancer Research Institute, recommends Daniel Zeller, who also had salvage radiation.

July 4, 2023 By [Dan Zeller](#)

Here's a great video highlighting the decision-making dilemma that comes with a rising PSA after surgery. [You can also [view it on YouTube](#).]

It reinforces that I wasn't nuts in agonizing over my decision to move forward with the decision for salvage radiation. There are just so many variables that go into the decision, and even the "experts" are really just taking their best guess at it.
