Welcome to Stay in the Game: Conversations about Prostate Cancer with Ed Randall. Here we'll chat with doctors, researchers, medical professionals, survivors, and others to share and connect. This show was produced and shared by Fans for the Cure, a non-profit dedicated to serving men on their journeys through prostate cancer.

University of Pennsylvania Urology Chief Dr. Thomas Guzzo joins our Ed Randall to discuss fighting prostate cancer as a researcher, teacher, and clinician. The conversation is a follow-up to Penn Medicine's Focus on Prostate Cancer, an all-day event supported by Fans for the Cure which took place back in October.
