Stay in the Game Podcast: Litwin and Garvey: 9 Years + Counting

In episode 18, MLB Legend and famed UCLA urologist relive how they met and their shared prostate cancer journey, and changes since then in management the disease.

September 29, 2021 By Fans for the Cure

Welcome to Stay in the Game: Conversations about prostate Cancer with Ed Randall. Here we'll chat with doctors, researchers, medical professionals, survivors, and others to share and connect. This show was produced and shared by Fans for the Cure, a non-profit dedicated to serving men on their journeys through prostate cancer.

MLB Legend, Steve Garvey, and famed UCLA urologist, Dr. Mark Litwin, recently caught up to relive how they met, revisit their shared prostate cancer journey, and discuss changes since then in managing the disease.

Mark Litwin, MD, MPH, is chair of the Department of Urology, a practicing urologic oncologist, and professor of urology, health policy & management, and nursing at UCLA. Dr. Litwin is a translational population scientist who teaches and conducts research in quality of care, health-related quality of life, medical outcomes, medical decision-making, costs and resource utilization, patient preferences, and health care access.
