

Stay in the Game: Today's Medical Breakthrough Are “Only The Beginning”

Episode 31 with Michael Milken, Medical Research Innovator/Public Health Advocate, Founder - Prostate Cancer Foundation, the Center for the Advancing the American Dream, and several Milken family non-partisan think tanks and philanthropic foundations

January 3, 2024 By [Fans for the Cure](#)

Welcome to Stay in the Game: Conversations about Prostate Cancer with Ed Randall. Here we'll chat with doctors, researchers, medical professionals, survivors, and others to share and connect. This show was produced and shared by Fans for the Cure, a non-profit dedicated to serving men on their journeys through prostate cancer.

Michael Milken is a Medical Research Innovator/Public Health Advocate and Founder - Prostate Cancer Foundation, the Center for the Advancing the American Dream, and several Milken family non-partisan think tanks and philanthropic foundations

Named by Forbes Magazine in a cover story as The Man Who Changed Medicine, Michael Milken is the founder of the Prostate Cancer Foundation (1993). Recently, Esquire named him one of the 75 “Most Influential People of the 21st Century.” In a wide-ranging conversation with host Ed Randall, Milken provides insights about exciting advancements in the diagnosis, treatment, and eradication of prostate cancer.
